Recommended ASM **OPTIONS**
to complete the airless paint sprayers

AA1700 - L1900 Plus - M2300 Plus - H2900 Plus - H3700 Plus

Airless hoses

- 200 bar rating high pressure hose
- swivel couplers and spring bases on both ends
- can be coupled with other airless hoses

airless hose - HSE1450

- 1/4" x 15 m

airless hose - HSE3850

- 3/8" x 15 m

airless hose - 245449

- 1/4" x 7.5 m

- whip hoses add flexibility and reduce operator fatigue

whip hose - HSE3163

- 3/16" x 90 cm

whip hose - HSE3165

- 3/16" x 180 cm

Kit gun and hose

- professional airless gun with ergonomic design
- high pressure hose with easy connections

kit 500 gun – 256245 + 4-finger trigger

- 500 series gun
- 4-finger trigger
- 1/4" x 15 m hose
- 517 uni-tip and base

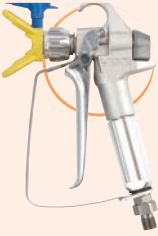

kit 500 gun – 256245

- 500 series gun
- 2-finger trigger
- 1/4" x 15 m hose
- 517 uni-tip and base

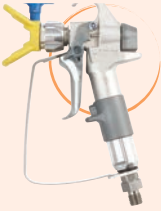

Airless spray guns

- ergonomic design
- lightweight and compact
- internal trigger lock
- convenient split handle
- stainless steel components
- PTFE seals for longer life

500 series - 288681

- 4-finger trigger
- 517 uni-tip and base (250 bar)

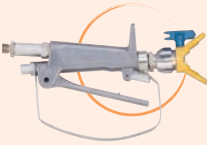

500 series - 289316

- 2-finger trigger
- 517 uni-tip and base (250 bar)
- includes 4-finger trigger
- convert your 2-finger gun to a 4-finger gun

Combo gun - anglehead

- well-balanced, lightweight, comfortable handle and trigger
- in-handle gun filter and internal trigger lock
- add a mini pole, maxi pole or roller system for extra reach
- add the in-line anglehead swivel for more accurate spraying at any height or angle

combo gun - 248241

- combo in-line gun complete with Uni-Tip and base

combo gun - 6700-SG

- combo in-line gun complete with Super-Zip tip and base

anglehead - 248247

- anglehead with Uni base

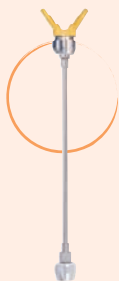

anglehead - 7506-SG

- anglehead with Super-Zip base

Mini and Maxi poles

- eliminate the need for ladders or steps when spraying ceilings, overhangs, floors and decks
- durable stainless steel for rust resistance
- two or more poles can easily be combined for extended reach
- hand tight system allows for easy attachment to gun, without tools

mini poles 3400 series

- with uni base
- 248233 - 15 cm
- 248234 - 30 cm
- 248235 - 45 cm
- 248236 - 60 cm
- with Super-Zip base
- 3406-SG - 15 cm
- 3412-SG - 30 cm
- 3418-SG - 45 cm
- 3424-SG - 60 cm

mini poles 3500 series (with anglehead)

- with Uni base
- 255258 - 15 cm
- 255259 - 30 cm
- 255260 - 45 cm
- 255261 - 60 cm
- with Super-Zip base
- 3506-SG - 15 cm
- 3512-SG - 30 cm
- 3518-SG - 45 cm
- 3524-SG - 60 cm

maxi poles (with anglehead) For Heavy duty use

- with Uni base
- 248242 - 60 cm
- 248243 - 90 cm
- 248244 - 120 cm
- 248245 - 180 cm
- 248246 - 275 cm
- with Super-Zip base
- 7402-SG - 60 cm
- 7403-SG - 90 cm
- 7404-SG - 120 cm
- 7406-SG - 180 cm
- 7409-SG - 275 cm

Zip-Roll™ Pressure Roller

The Zip-Roll pressure roller accessory attaches and is fed paint from your airless pump allowing you to use your system to roll in areas where spraying is not practical. Provides

- extend your reach – no need for a ladder
- paint directly fed from airless pump
- use your system in areas where spraying is not practical
- trigger the gun to release paint to roller
- pressure rolling is 4 times faster than standard rolling!

Zip-Roll™ pressure roller system with combo gun

- includes combo gun
- includes Super-Zip base
- 980309 - 90 cm
- 980609 - 180 cm

Zip-Roll™ pressure roller - 287713

- connects to airless spray gun delivered with unit
- includes 45° gun adapter for easier maneuverability
- includes 60 cm extension, roller frame and nap cover

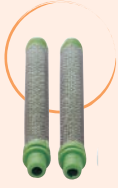

Zip-Roll™ frame only - 244278

- Already have an extension pole?
- Expand your flexibility with the Zip-Roll frame only

Gun filters

coarse - 4436-2

- 30 mesh, green (2 per pack)
- for thick paints

medium - 4433-2

- 50 mesh, white (2 per pack)
- for emulsions, latex, etc.

fine - 4434-2

- 100 mesh, yellow (2 per pack)
- for enamels, stains, etc.

extra fine - 4435-2

- 200 mesh, red (2 per pack)
- for varnishes, lacquers, etc.

Gun repair kits

Includes ball valve plunger assembly and diffuser

500 gun repair kit - 288817

combo gun repair kit - 6727-G

Strainer Bags

Pre-filter your paint using Strainer Bags.

strainer bags - 238769

Reversible tip systems

- ASM's colour-coded handles make it easy to identify the tip size on the job

Grey	Red	Orange	Yellow	Blue	Green	Purple	Brown	Black
.009	.011	.013	.015	.017	.019	.021	.023	.025 - 0.37

How to determine Spray Tip Size

Fan Width indicator

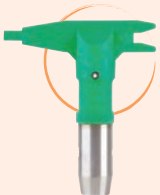

$$5 \times 5 = 25 \text{ cm}$$

69-517

Diameter of opening
in thousandths

13

How to order

uni-tip: 69-xxx

- to order, simply replace xxx with the tip number, i.e. 69-519

super-zip: 59-xxx

- liquid-honed and double tested ensures accurate spray pattern
- to order, simply replace xxx with the tip number, i.e. 59-519

“ the Painter's choice ”

Base

- Hand-tight base – no tools required!
- Virtually eliminates paint buildup and dripping
- Changes quickly from horizontal to vertical spray pattern

uni-tip base - 248200

- uni-tip base

super-zip tip base - 5901-G

- super-zip tip base

Tip selection guide

- ASM’s colour-coded tips and corresponding tip selection guide makes it simple to select the right tip for your painting application
- follow the steps below for easy tip selection

1. Identify the material you will be spraying
2. Determine your spray pattern width (spraying 30 cm from the surface)
3. Follow chart to tip number

Tip Selection Guide

material	fan width in cm					
	10 cm	15 cm	20 cm	25 cm	30 cm	40 cm
dyes, inks	grey 0.009"					
	tip	209	309	409	509	609
primers, enamels	red 0.011"					
	tip	211	311	411	511	
urethanes	orange 0.013"					
	tip	213	313	413	513	613
interior paints: latex, acrylics, emulsions	yellow 0.015"					
	tip	215	315	415	515	615
elastomerics	blue 0.017"					
	tip	217	317	417	517	617
fire retardants, plasters	green 0.019"					
	tip	219	319	419	519	619
exterior paints: block fillers	purple 0.021"					
	tip		321	421	521	621
fire retardants, plasters	brown 0.023"					
	tip			423	523	623
exterior paints: block fillers	black 0.025"					
	tip			425	525	625
exterior paints: block fillers	black 0.027"					
	tip		327	427	527*	627*
exterior paints: block fillers	black 0.029"					
	tip		329*	429	529*	629*
exterior paints: block fillers	black 0.031"					
	tip		331	431	531	631
exterior paints: block fillers	black 0.033"					
	tip					
exterior paints: block fillers	black 0.035"					
	tip		335*	435	535	635
exterior paints: block fillers	black 0.037"					
	tip			437*	537*	

(*) Tip sizes only available in Super-Zip (59-xxx)

(**) For some materials, the filter can be left out (e.g. plasters)

pump protectants

Keep your spray equipment in peak condition.

pump life - 245423

- protection from corrosion and rust
- 1 liter, available in quantities of 6

pump oil - packing seal - 245427

- prolongs pump packing life
- 240 ml, available in quantities of 6

starter kit - 245651

- get started with pump life (240 ml) and packing seal (118 ml)
